RESOLUTION.

The Secretary of State for India has brought to the notice of the Government of India that it not infrequently happens that natives of India, students or others, who have proceeded to England, desire to obtain passports to enable them to travel to foreign countries in which the possession of a passport is necessary or desirable, and that difficulty often arises from want of evidence to show that the applicant is a British subject and therefore entitled to a passport. Appeals for assistance are also frequently addressed to His Lordship by destitute Indians, who desire to return to their country, and by students who, owing to embarrassed circumstances, are unable to complete their course of education.

2. In order to enable the Secretary of State to deal with such cases satisfactorily, the Governor-General in Council has decided that it is necessary to press upon Indian students and others visiting England, the desirability of providing themselves before their departure from India, with an authoritative certificate of identity, in the form appended to this Resolution, signed by the head of the district (in a Presidency Town, the Commissioner of Police) in the case of residents of British India and by the Political Officer in that of residents of Native States. For a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer (in a Presidency Town, the Commissioner of Police) or Political Officer, as the case may be.

His Highness the Maharaja desires to place on record his sense of the loss sustained by the State by the sudden death of Mr. Dalvai Devaraj Urs, Second Councillor, which occurred on the morning of the 18th instant.

The late Mr. Devaraj Urs had a long and distinguished career in the service of the Mysore Government. Beginning as an Attaché to the Mysore Commission in 1878, he rose to the high office of a Member of the State Council after serving with distinction in various capacities, such as Assistant Commissioner, Superintendent of Police, Deputy Commissioner, and Inspector-General of Police. His devotion to duty, sound common sense, genial and straightforward disposition and courteous manners greatly endeared him to every one with whom he came in contact. By his death, the State has lost one of its foremost citizens, the Government a trusted Councillor and the people a generous and sympathetic friend.
